

P&R INTERIORS

Dear P&R Interiors Customers

In response to the Corona Virus we wanted to assure you that we are taking the matter very seriously and doing everything we can to keep you and our team safe in these turbulent times.

We have stepped up our cleaning routine and will ensure that all surface areas are cleaned with appropriate sanitising materials regularly during and after each use. We are paying particular attention to surfaces that are touched by the general public – door handles, displays etc. All team members are of course instructed to wash their hands regularly, clean keyboard, phone etc. Please wash your hands regularly too throughout your visit to us – this will help us to keep all areas clean.

Our team are also being told not to work if they have symptoms or have been in contact with any person that has been affected.

If you have made future instore visits or installations and need to cancel, please let us know as soon as you are aware. This will enable us to try and adjust to our schedule.

It is our intention to remain open as usual but we may at times have to adjust our opening hours.

Kind Regards

Paul & The Team @ P&R Interiors
